your amendment, repeal the \$100 reporting and make it \$250?

SENATOR RICHENDIFER: Well, they just eliminated the \$100 reporting and raised from \$200 to \$250.

SENATOR DUIS: That's what I thought and that's what I voted for. That's what I wanted was to raise it to \$250 so you could get away from reporting these fender scratches.

SENATOR RICHENDIFER: Well, this isn't going to be critical. As I say, the \$100 reporting, all they want it for is for records...

SENATOR DUIS: Yes, but it still requires that that person make that report to the state for a \$100...

SENATOR RICHENDIFER: Right and they can be fined \$50.00.

SENATOR DUIS: Boy, what a nuisance? It's really a nuisance.

PRESIDENT: I suppose the way we should resolve this is if there is an objection, why somebody should just get up and object and then we will pass the word along and that'll be it. Senator Dickinson, do you object?

SENATOR DICKINSON: Yes, I will.

PRESIDENT: Fine, then, we will have to move the bill up and then it will have to be brought back for this amendment and there will have to be a vote taken on it then. That's the way we handle it, Senator Richendifer. If you can't get unanimous consent on a motion, then the bill has to advance and come back. You can make a motion after we do that to bring it back.

SENATOR RICHENDIFER: Do you want me to move it up?

PRESIDENT: Pardon me, sir.

SENATOR RICHENDIFER: Do you want me to make the motion to move it up off of Select File?

PRESIDENT: That's fine. Yes. We will just move it on and then you will have to make the motion.

SENATOR RICHENDIFER: Mr. President, I move that LB 417 be advanced to E & R for engrossing.

PRESIDENT: You have heard the motion for advancing LB 417 to E & R for engrossing. All those in favor of advancing the bill, please say aye. Those opposed say no. So ordered. The bill, then, is advanced. That takes care of everything on Select File. Do we have any motions to reconsider.
